

CREDENTIALS I WILL BRING TO COUNCIL:

- 1. The ability to understand and manage budgets, make sense of financial reports, and ensure taxpayer money is spent wisely.**
- 2. Reviewing a multi-million-dollar municipal budget and asking smart questions about spending priorities.**
- 3. Common sense, and understanding how organizations run, making strategic decisions, and thinking about long-term impacts.**
- 4. Proposing ways to attract new businesses to town, while streamlining municipal services for efficiency.**
- 5. Acting with integrity, transparency, and fairness.**
- 6. Declaring conflicts of interest, being honest with constituents, and making decisions for the public good rather than personal gain.**
- 7. Treat a council position as a full-time occupation, with part of my wage compensation going to charity.**

MY WISH LIST:

- 1. Reasonable development charges to stimulate growth.**
- 2. Streamline the building permit process.**
- 3. Community enhancement projects, eg pool and splash pad.**
- 4. Property tax relief for seniors who own their own homes.**
